Parent/Teacher Conference Follow-up

Families, thank you so much for attending conferences with us on Wednesday. We had a great turn out in which we saw nearly every family in our community. It was so great to see and reconnect with our families and we do appreciate your time. If you didn't get a chance to visit with your student's teacher, please feel free to reach out via email or phone with questions.

Celebrating Our Mustangs:

Once again, our Mustangs prove they can excel in and out of the classroom! On Wednesday, 10/12, at the district Cross Country Meet, we took home 4 team trophies....[Click here for results and photos:](#)

4th Grade Girls - 3rd place

5th Grade Girls - 2nd place

4th Grade Boys - 1st place

5th Grade Boys - 2nd place

A huge shoutout to all our runners....great job to all those that participated and contributed to the team! Your hardwork and all those laps run before school, at lunch, and in running club definitely pay off! Thank you Mr Spanel and Mr Crouch for supporting our Mustangs!

Broomfield FISH - In the 2020-2021 school year our 5th grade class adopted the cereal shelf at FISH as their legacy gift. [FISH](#) is a nonprofit organization that provides food, emergency financial assistance, and one-on-one mentoring support to Broomfield residents in need. Each month a different grade level will collect boxes of cereal to donate to FISH. This month, **October, 5th Grade will be donating** for this cause. Student Council has set a goal of **200** boxes. There is a barrel in the 5th grade flex area to put the donated cereal in. We will send notification each month to remind everyone which grade level will be donating for the month.

Book Fair

The Meridian Book Fair is Back! Shop for Books and Support Our Library from Oct. 25 through Oct. 28, 2022. Our Book Fair is In-Person and [Online](#). Students can shop with cash during school hours. Parents can also set up cashless [eWallets for student shopping](#).

We are looking for volunteers to help with Set Up, Kindergarten and First Grade Preview Times, and Pack Up. We'd love to have you here. Check the [SignUp Genius](#) to see if there's a time you can help.

Pets on School Grounds

We have noticed an increase in the number of pets present at the exits during drop off and pickup. We'd like to remind everyone that, in accordance with District Policy, no pets are allowed on school property except for registered service animals. We ask that families keep pets at the perimeter sidewalk, across the street, or in the car when picking up your student if you have a pet. In addition, we have also seen pet waste being left on playgrounds on nights and weekends, please remember that pets are not allowed on school property at any time in an effort to keep the grounds clean for our students. Thank you for your help and cooperation with this.

Picture Retake Day This Week

Picture Retake Day is Thursday, October 20. If you would like to have your student retake their picture, you will need to send in the picture packet you received with your student on October 20. They will need to return these pictures to Studio 5 in order to get a re-take. Studio 5 will then re-take their photo and reprint the same picture package that you previously ordered.

Students who missed our first picture day (August 25) will also have their picture taken on retake day. Families can order picture packages for these students using [this link](#), which expires 3 days after picture day.
