

Dear Meridian Community,

Thank you to everyone who attended Back-to-School Night last night. It was so wonderful to see all our kids and families back in the building. We had a great turnout where we saw smiles and excitement all around from parents and students. It was so great for our staff to see all the kids so excited to start the new school year and it was energizing for the entire staff in preparation for school to start next week!

As the first day of school draws near, please take a moment to read through some of the logistics information below with procedures for arrival and dismissal. I hope everyone has a great last weekend of the summer and all our students are resting up and preparing for the routine of getting up and ready to learn at their very best everyday.

We can't wait to see everyone as we kick off the year on Tuesday, August 16!
